Western N.C. inn gets Rachael Ray kudos

The Bed & Breakfast on Tiffany Hill - 15 minutes from Hendersonville and Brevard, 25 minutes from Asheville's Biltmore Estate - has been named one of the "Top 10 Most Romantic Places" in the United States in the February issue of Every Day with Rachael Ray magazine.

B&B on Tiffany Hill, which opened in 2009 on six pastoral acres, is the only place on the list from a Southeastern state. The inn has five suites; amenities include seven-layer beds, private baths with energy-efficient Rinnai hot water on demand, Wi-Fi Internet access, flat-screen TV/DVD players, soundproofing, piped-in music and 24-hour complimentary beverages and snacks. Rates start at \$185 per night per suite (including gourmet breakfast). Details: 828-290-6080; [www.bbontiffanyhill.com](http://www.bbontiffanyhill.com).
