### Selena Einwechter's Bed & Breakfast on Tiffany Hill

While vacationing in the NC mts last week, Kaye & I dropped in on a former classmate of mine. Selena Einwechter left Tampa for greener pastures and certainly seems to have found one. After decades of dreaming and years of planning, Selena's dream of opening a Bed and Breakfast has finally come true.

Perched atop seven beautifully landscaped acres and nestled on the edge of the Pisgah National Forest in Mills River south of Ashville, B&B on Tiffany Hill has set a new standard for the Bed and Breakfast world.

Built from the ground up and incredibly decorated with attention to detail evident everywhere you turn, Tiffany Hill offers five bedrooms – each with their own bath - a large breakfast table to seat 12, a library, a sitting room with fireplaces, wi-fi throughout, a walking trail with several points of interest offering views to sooth the soul and Selena herself as your host, cook, and knowledgeable reference library for the surrounding area.

Anyone wishing more info on this wonderful opportunity for escape can visit [www.bbontiffanyhill.com](http://www.bbontiffanyhill.com). Please tell Selena we said “Hello”.

We had the pleasure of staying in this breath taking B&B for the Grand Opening weekend, and I have to tell you it is FIRST CLASS all the way.

This is NOT your grandmas B&B full of antiques. It is Fabulous!!

The decor is absolutely beautiful. We stayed in the Natchez Suite that overlooked a beautiful horsefarm. Our room was gorgeous with a large bathroom. The gardens and the walking trails bring you a sense of peacefulness. Most of all, the delicious culinary skills that Selena enjoys demonstrating at breakfast is a wonderful way to start your day.

This is a MUST DO again soon, on our list.

My husband Jan and I have booked a room for 3 nights in August at Tiffany Hill. We have always enjoyed the B & B experience and can not wait to celebrate and enjoy what Selena has created.
